Secondary
actions in a
simple menu.
Clean, focused,
not cluttered.

ACTION STATES (LIKE)

OTHER ICONS (DEFAULT)

MORE MENU (EXPANDED)

Appears from the ... button.
Clean list of secondary actions.
Can include more options later
(e.g. Copy link, Open in Browser).
Same neo-brutal style, bold,
minimal, clear.

DESIGN PRINCIPLES

- ✓ Meme is the hero
- ✓ Minimal UI, maximal content
- ✓ Only essential actions visible
- ✓ Empty → filled icon states
- ✓ Clear visual hierarchy
- ✓ Neo-brutalism aesthetic
- ✓ Within easy thumb reach
- ✓ Clean secondary menu

MEME VIEWER FLOATING ACTIONS

Minimal. Contextual. Neo-Brutalism.

The meme is the hero.
Only the essential actions are visible.
More options open in a simple menu.
Clean, minimal, and within easy reach.
